The League completed a successful year of caring for homeless animals, finding permanent adoptive homes, responding to animal control calls, providing subsidized and free spay and neuter surgeries for low-income residents, helping low-income residents with veterinary care for acute problems, giving animal behavior advice, hosting dog obedience training classes, and offering low-cost rabies vaccinations for animals in our community. We also completed a 4,000 square-foot addition to our kennels, adding 10 additional dog runs. This will allow us to house incoming dogs separately from our dogs already available for adoption. We hope to prevent the spread of disease, reduce crowding, and ease incoming dogs’ transition to the shelter.

With the beginning of fiscal year 2011, we look forward to more accomplishments in animal welfare. After conducting a national search, the League welcomed a new Executive Director in September. Neil Trent brings over 30 years of experience in international, national, and local animal welfare. He was most recently the Executive Director of the Longmont Humane Society in Longmont, Colorado. From the time of his earliest memory, Neil Trent wanted to work for animals and at the age of 20 he joined the British Royal Society for the Prevention of Cruelty to Animals (RSPCA) in its Law Enforcement Division.

For the past 30 years Neil has traveled the world, from The Congo to Vietnam, confronting those who exploit, abuse, or simply neglect animals. He has traveled extensively throughout Europe, Asia, Africa, Latin America, the Caribbean, and the Pacific Rim implementing and promoting new animal welfare initiatives. His career highlights include:

• Eighteen years with the RSPCA in England, the Bahamas, and Australia;
• Service with the World Society for the Protection of Animals (WSPA), first as field officer, then as field services director, and finally as regional director for North and Latin America;
• Executive Director of Humane Society International, the international arm of the Humane Society of the United States;
• Most recently Neil has run shelters in Northern California and Colorado.

Neil has dedicated his career to the humane treatment of animals. To have someone with such experience, leadership and compassion at the helm of the League is exciting for the people and animals of Arlington County. In consultation with the League Board of Directors, Neil is examining the League’s current policies and procedures and plans to embark on a number of new initiatives to expand the League’s help for animals. Watch our Web site at www.awla.org and this newsletter for details.
Humane Education

In addition to the humane education provided in this newsletter, on our Web site at www.awla.org, and in our presence at numerous public events, including the Arlington County Fair, Capital Pride Festival, and other public events, the League offers education programs in schools, community centers, community events, adoption fairs and also here at the League. Education programs are available in both English and Spanish.

Through the League’s Humane Education Program for the 2010 Fiscal Year, League staff led 29 tours, visited 19 school or community locations and presented 98 humane education lessons to a total of 1,322 children and 297 adults. The League’s humane education programs include presentations on responsible pet ownership, bite prevention, preparing pets for the arrival of a new baby, and the importance of spaying and neutering pets, and what the League does for the community.

In addition to tours and humane education lessons, the League also held one humane-themed birthday party, and four summer camp sessions in July. Summer camps include two week-long camps for children ages 10-13 and two three-day camps for children ages 6-9 years old. Information on next summer’s camps will be available on the League Web site in February 2011.

Foster Program

The Animal Welfare League of Arlington’s foster program had a busy year of orphaned kittens, dogs recovering from medical issues, nursing moms and everything in between. The 31 participating families in the program dedicated 12,694 hours to their fosterlings, in addition four staff members fostered animals under special circumstances. The program has grown substantially with 12 new foster families who completed training and joined the program. Two hundred and ten shelter animals were given care, love and a second chance at a forever home in the foster program.

Some of the year’s success stories included Sylvester, Bruin and Spyder. After eight months in foster care for chronic upper respiratory infection and a variety of other mysterious medical conditions, Sylvester the kitten returned to the shelter and was adopted in August 2010. Bruin is a senior Chi-huahua mix who needed a little extra TLC. His foster family helped him overcome his nervousness, and he is now enjoying his forever home. Spyder the kitten was in foster care with severe conjunctivitis; she has since made a full recovery and found a permanent home.

Baby-ready Pets

I wanted to thank the league for offering this class. Now that we’ve had our daughter, we’ve been following the advice given there and things have been going well so far. I really appreciate that the league is offering this service to the community and hope that others will benefit from it as well. Please see the attached as proof of our family harmony.

Volunteer Visiting Vets

Dr. Chris Miller examines a shelter dog.

We are grateful to the following veterinarians who volunteer their time to visit the shelter and examine our animals on a rotating basis. Without their help we would spend much more staff time and League funds taking animals to veterinary hospitals. We especially thank Dr. Keith de la Cruz and Dr. Chris Miller (pictured above) of Caring Hands Animal Hospital for devoting many hours to examining shelter animals.

Our low-cost rabies clinics are made possible by the participation of Dr. Dan Teich of DCHomeVet.

Thank you, doctors!

Fundraising Highlights

Donations

The Board of Directors, volunteers, and staff at the Animal Welfare League of Arlington are enormously thankful to all of our donors and supporters whose help enables us to perform the services to the homeless animals in our community. During the Fiscal Year 2010 over 2,800 donors donated $331,951 to the League in response to our appeals, the business reply envelopes from Pawpourri, and unsolicited donations. Your support is essential to all of our endeavors.

Bequests

Remembering the League in your will can turn your compassion for animals into your legacy for the future. This year the League received bequests from seven generous individuals whose love and compassion for animals still lives on with their bequests totaling $272,018.19:
- The Estate of Nancy Ann Finke Bower
- The Estate of Patricia J. Driscoll
- The Estate of Helen E. Garland
- The Estate of Kendra Kerr
- The Estate of Marjory Herff Klausner
- The Estate of Elizabeth V. Nutter
- The Pietro and Thelma Raffaeli Family Foundation

If you are interested in adding the League to your will (or have already done so), please contact Lisa Kirschner at lkirschner@awla.org or at 703-931-9241 ext. 220.

Events

Every year the League hosts two major fundraisers. In May, the Walk for the Animals inspires walkers and donors alike to spread the good word about the League. This year the League had over 700 registered walkers and over 250 dogs. With your support, the League raised over $100,000! You can join in the fun in 2011. Simply save the date for the second Saturday of May and watch our Web site in the middle of January to register.

In October 2009, the League hosted Catsino Night and Silent Auction in the Historic Lobby in Terminal A at the Ronald Reagan Washington National Airport. Over 250 guests enjoyed music, dancing, food, drink, and casino games—raising over $60,000 in support of the League and the animals we help. These fundraising milestones are achieved with the great support of our community -- from our supporters who attend each event, the donors who support them and our very generous sponsors. Every year, the League asks local businesses to sponsor our two major fundraisers either with cash sponsorships to help defray our costs or with items that can be used as prizes or auctioned off in our silent auction. If you are interested in sponsoring either of our events or donating an item, please contact our Development Office at donate@awla.org.

Wish List

The League would like to send a special thank you to everyone who has donated items from our Wish List. Your support truly means a lot to the League and all the animals that pass through our doors. Our current 'Top Five' items are bleach, cat carriers and dog crates, Kuranda beds, plain copy paper, and Ziploc bags. (To see more items on our Wish List, please visit our Web site at www.awla.org/wishlist.pdf)
