Is my donation tax-deductible?

Yes! The Animal Welfare League of Arlington is a non-profit organization, so all donations qualify as charitable deductions on your Federal income tax return. A representative from Vehicles for Charity can explain

What do I need to donate my vehicle?

You need a clear title in your name for the vehicle you wish to donate and, for towing purposes, the location and condition of the vehicle.

Will someone pick up my vehicle?

Yes! Once you have submitted your vehicle donation form, a representative from Vehicles for Charity will call to confirm receipt and give you instructions on how to fill out the title. A towing company will call you separately to schedule the pick-up of your vehicle. At the time of pick-up, the driver will give you a receipt for the vehicle in exchange for the signed title and keys to the vehicle.

How is the value of my vehicle determined?

The IRS allows you to take a charitable tax deduction of the value of your vehicle up to \$500, or the amount for which your vehicle is sold, if greater than \$500. Please consult a tax professional to determine your tax benefit and for more information, visit the [IRS website](#).
